

## Cancellation Policy

A deposit is required at the time of registration to help us pay for programming and administrative costs.

If you need to cancel the programming that you signed up for 1 month or more before programming begins: a refund will be given, minus the minimum deposit, which is 50% of programming cost.

If a cancellation is made 1 month or less before the program begins, a prorated Sprouts credit will be given for 50% of programming cost.

If programming has begun, a prorated Sprouts credit will be given if a family needs to cancel the rest of the program due to extenuating circumstances.

If Sprouts programming makes the call to cancel due to illness or inclement weather: a make up date will be offered or a Sprouts credit will be given.

### Payment Plans:

If cost is a barrier, payment plans are available. Please reach out to [ilsa@sproutsnareschool.com](mailto:ilsa@sproutsnareschool.com) for more information and to enroll in a payment plan.
