

# Sprouts Nature School – Photo & Media Release Policy

## **Sprouts Nature School – Photo & Media Release Policy**

Sprouts Nature School occasionally takes photos and short video clips during programming to document learning, share updates with families, and highlight outdoor education in our community.

Parents/guardians will be asked to select one of the three permission options below during registration.

### **Option A: Full Permission**

Families may allow Sprouts Nature School to take and use photographs and/or videos of their child for:

- Program documentation
- The Sprouts website
- Social media
- Marketing and promotional materials
- Printed or digital publications

Children's names will never be shared publicly.

### **Option B: Internal Use Only**

Families may allow Sprouts to take photographs or videos only for internal purposes, including:

- Private program updates shared with enrolled families
- Curriculum development
- Staff training

Images will not be used publicly.

### **Option C: No Permission**

Families may decline all photography or video use.

No images of their child will be taken or used under any circumstances.

### **Additional Notes**

- A family's choice does not affect program participation.
- Photos and videos are used respectfully to highlight learning and nature exploration.
- Families may update their preference at any time.
- Requests to remove previously posted images will be honored whenever possible.
